

Dear current and prospective Players and Parents,

The Whitmer Basketball Academy will offer an opportunity for area basketball players to participate in spring and summer youth AAU Tournaments for the year 2009. Our teams will be divided into grade divisions for the current year.

Our coaches will evaluate players in each grade and form teams that will play in tournaments, and possibly national qualifiers. Most tournaments are in the area and no more than a 1-1/2 hour drive. Traveling, commitment and fees will be greater for teams that choose to go out of town to play. Players will play in at least 6 tournaments while grades 7 and up will play in 7 tournaments this spring. You can find more information on our web site: <http://www.whitmerbasketball.com>.
